## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

1. Claim 41 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 41 is indefinite in view of the amendment making this claim dependent from claim 27. Specifically, claim 27 requires the metallocene to be unbridged; however, claim 41 recites a bridged metallocene which is expressly outside the scope of the parent claim. Accordingly, the intended scope of the claim cannot be determined. Furthermore, this claim does not further limit the parent claim because it is not within the scope of the parent claim.

### ***Double Patenting***

2. Claim 41 is provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 27-32 of copending Application No. 07/973,261 for the reasons set forth in the Office action mailed 10/5/2005.

Applicant's arguments filed 1/3/06 have been fully considered but they are not persuasive. Although the amendment renders the claim indefinite, the claim has not been narrowed, and the ODP rejection is maintained.

3. Claims 27 and 44-47 are allowed.

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
